

## Oak Grove car rider procedures

**\*\*Please share this information with anyone dropping off or picking up your child.\*\***

1. Doors open for car rider drop off at the gym at 7:00 and close promptly at 7:40. If your child needs to eat breakfast at school, they must be here no later than 7:20 and go straight to the cafeteria upon entering school.
2. Remember, outside food is not allowed. Students should finish their breakfast BEFORE being dropped off.
3. Cars should pull all the way up to the blue cone to drop off so we may unload five or six students at the same time. Students may exit the vehicle at any point along the sidewalk.
4. To ensure everyone's safety, children being dropped off at Oak Grove should be seated on the passenger side of the vehicle. We have had several close calls when students were seated on the driver's side of the vehicle and walked in front of other cars and were almost hit.
5. To expedite the unloading process, students are encouraged to exit the vehicle on their own.
6. Do not pass other vehicles in the car rider line.
7. If your child is a car rider in the afternoon, please help them memorize their car rider number as soon as possible.
8. If your child needs help buckling up you should pull up and park so that we may continue loading.
9. Thank you for your assistance with these items. We look forward to a terrific year at Oak Grove!
