Gobble up some good Books

Oak Grove's Thanksgiving myON[®] Reading Challenge

It is very important for your child to continue to read over the holiday break. This extra incentive is being offered in order to help you encourage your child.

WHAT IS myON?

myON reader is a new digital library now available to Oak Grove Elementary students as a way to nurture their love of reading. myON allows children to explore a wide selection of books they enjoy, while pushing them to become more skilled readers. Elementary and middle school students have access to thousands of books from just about anywhere for free.

myON hooks students into reading rigorous books filled with colorful graphics and lively text, some read aloud. myON challenges students by testing, then matching them to books that push them to grow as skilled readers and learners
